

# NEPAD-FAO Fish Programme

A collaborative undertaking between the NEPAD  
Planning and Coordinating Agency (NPCA)  
and the FAO

NEPAD Planning and Coordinating Agency  
Agence de Planification et de Coordination du NEPAD

*Support regional efforts to attain the MDGs ...*

**Improved and responsible management and development of the fisheries and aquaculture sector within the framework of the development and implementation of the Comprehensive African Fisheries Reform Strategy – Outcome of CAMFA I**

# *Three Components*

- 
- A row of colorful, decorated fishing boats is beached on a sandy shore. The boats are painted with various patterns and colors, including blue, yellow, and red. The background shows a hazy beach scene with some people in the distance.
- A. Furthering policy development & regional integration**
  - B. Improving management through integration of EAF/EAA**
  - C. Reducing vulnerabilities and increasing resilience through DRM & CCA**

# *NEPAD Programme Components*

## PAF Components:

- Illegal Fishing
- Governance
- Aquaculture & Inland Fisheries
- Finance & Investment
- Trade

&

## NFFP Components:

- Governance
- EAF & EAA
- CCA & DRM

# *Programme Design*

- 
- A row of colorful, decorated fishing boats is beached on a sandy shore. The boats are painted with intricate patterns and designs in various colors, including blue, yellow, red, and green. The background shows a calm sea and a hazy sky.
- ✿ Formulated as a multi-donor initiative
  - ✿ 2011 Inception; 2012-2015 Implementation
  - ✿ Sida contributing with 40% (2011-2013)
  - ✿ Another USD 7.4m required for full implementation
  - ↳ NPCA Fisheries Programme & Funding Strategy

2011

2013

2014

2015

**Sida**

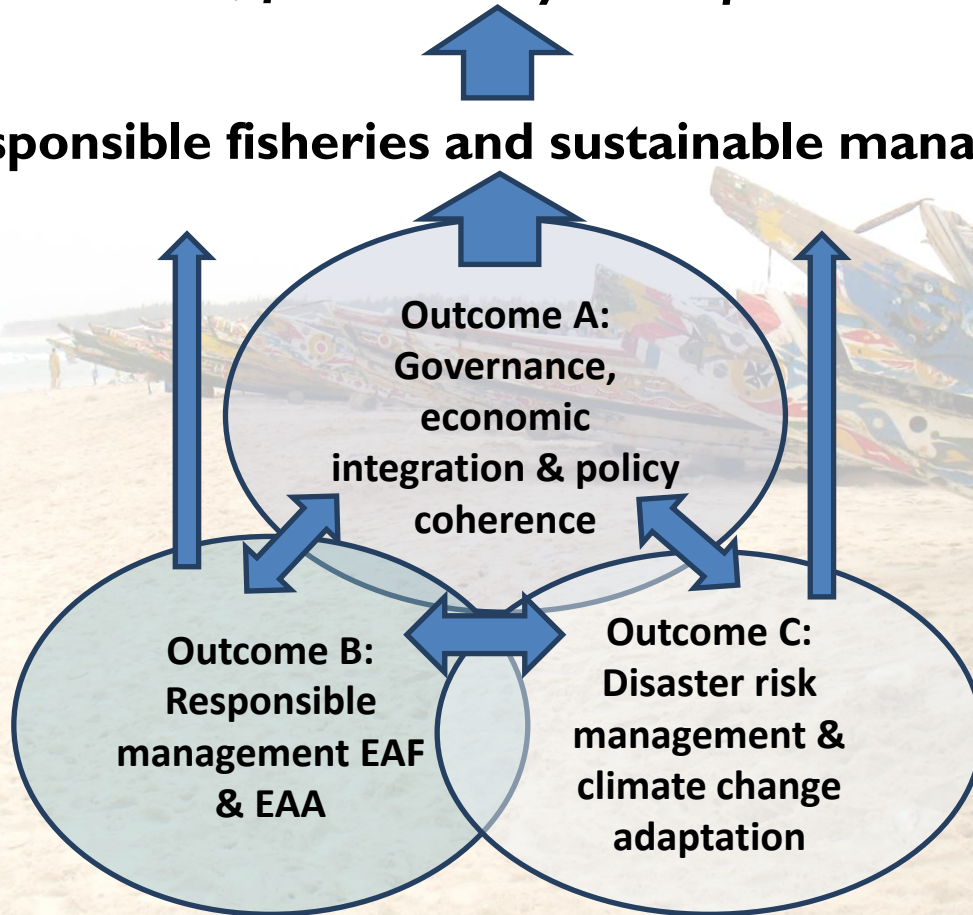

**Sida ? + ?**

USD 5,5 million

USD 7,4 million

***Poverty alleviation, food security and equitable economic growth***

**Responsible fisheries and sustainable management**

# Inception year - 2011

Three stakeholder consultation meetings, to:

- ∩ **Confirm relevance & importance of Components**
- ∩ **Define main outputs & activities for first two years**
- ∩ **Prioritise geographically**
- ∩ **Identify key partners**

# A few details on the three Components

## Component A:

### Governance

- Donor & stakeholder coord., policy coherence, communication
- Policy advice & national implementation - CAADP
- Strategic planning RFBs/BCs & RECs
- Linkages RFBs/BCs-RECs
- Capacity & framework data collection systems

## Component B:

### Responsible management

- EAF in marine fisheries
- EAF inland fisheries
- Aqua-business development / EAA
- Fisheries postharvest chain
- Capacity in data collection & analysis for EAF/EAA

## Component C: Climate change & Disaster risk management

- Policy integration and best practices at regional level
- DRM and CCA adaptation plans at local and national levels

# A few details on the three Components

## Component A:

### Governance

- Donor & stakeholder coord., policy coherence, communication
- Policy advice/briefs and national implementation
- Strategic planning RFBs/BCs & RECs
- Linkages RFBs/BCs-RECs
- Capacity & framework data collection systems

## Component B:

### Responsible management

- EAF in marine fisheries
- EAF inland fisheries
- Aqua-business development / EAA
- Fisheries postharvest chain
- Capacity in data collection & analysis for EAF/EAA

## Component C: Climate

### change & Disaster risk management

- Policy integration and best practices at regional level
- DRM and CCA adaptation plans at local and national levels

# *First Conference of the African Ministers of Fisheries and Aquaculture (CAMFA)*

***“Recommends that Member States and  
RFBs adopt and integrate ecosystem  
approaches in their national and regional  
fisheries management plans”***

# *First Conference of the African Ministers of Fisheries and Aquaculture (CAMFA)*

***“Requests Member States, RECs and RFBs  
to mainstream climate change in fisheries  
policies, development and management  
programmes”***

# Organisational set-up

FAO, Rome :  
Technical Team

FAO, Accra :  
Budget Holder

Steering  
Committee

NPCA, Midrand : Co-ordination  
and Partial Implementation

# Collaboration

- AUC (DREA and AU-IBAR)
- RECs, RFBs and BCs
- World Bank(/PROFISH)
- WWF
- Other programmes: SmartFish, EAF Nansen (ACP Fish II)

# *Achievements*

- 
- A row of colorful, decorated fishing boats is parked on a sandy beach. The boats are painted with various patterns and colors, including blue, yellow, red, and green. The background shows a hazy beach scene with some people and waves in the distance.
- ✓ **NFFP Gender Strategy**
  - ✓ **NFFP Funding Strategy**
  - ✓ **Study on links RECs & RFBs**
  - ✓ **Think-Tank event on collaboration and links RECs and RFBs (contribution to)**
  - ✓ **Think-Tank event on Pan-African Fisheries Policy Framework and Reform Strategy - (contribution to)**

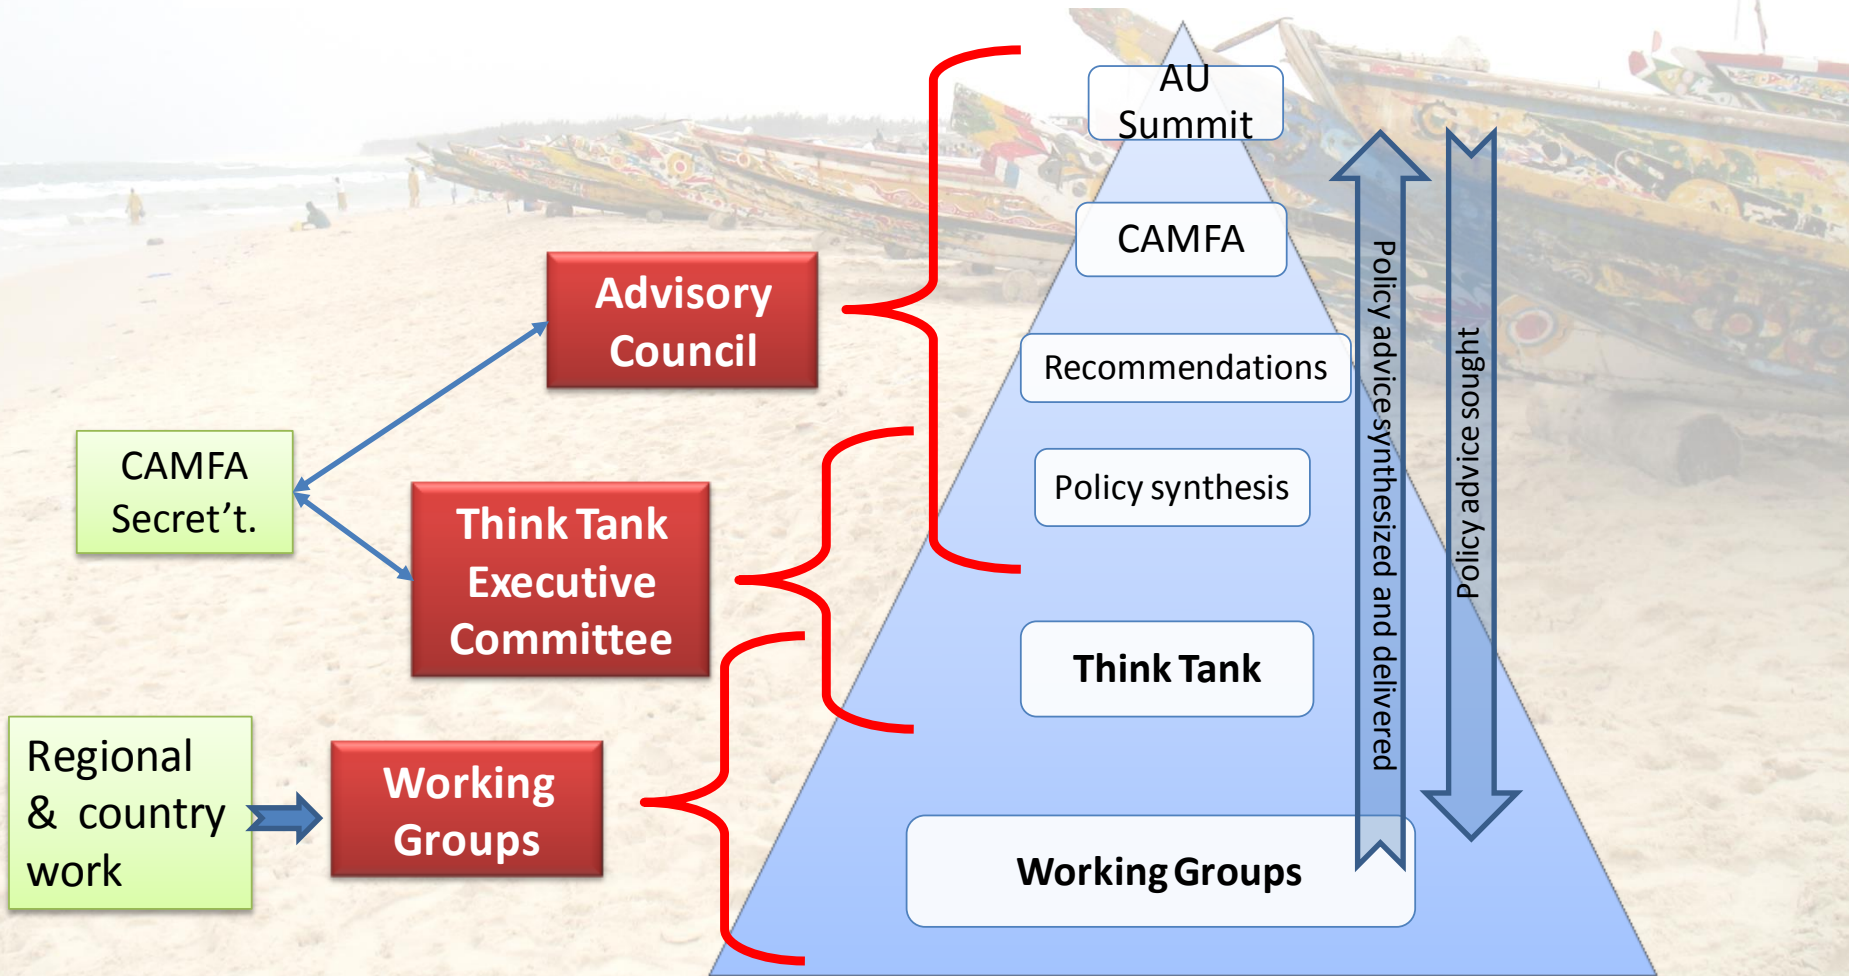

## *Achievements (cont.)*

- 
- A row of colorful, decorated wooden boats is beached on a sandy shore. The boats are painted with various patterns and colors, including yellow, blue, red, and green. The background shows a calm sea and a hazy sky. The text is overlaid on the lower left portion of the image.
- ✓ **Regional stock-taking workshop on EAA & EAF**
  - ✓ **Gap analyses CCA & DRM initiatives in view of:**
  - ✓ **Regional planning workshops on CCA & DRM**
  - ✓ **Technical support to national Climate-Change adaptation plans - Malawi and Nigeria**
  - ✓ **Information on post-harvest losses - Lake Volta**

## *Ongoing work*

- 
- A row of colorful, traditional wooden boats, likely from Lake Chad, are beached on a sandy shore. The boats are decorated with intricate patterns and bright colors like blue, yellow, and red. The background shows a calm sea and a hazy sky.
- ✓ **Policy Briefs**
  - ✓ **Planning for work on EAF and CC/DRM  
Lake Tchad – with LCBC and AfDB/Prodebalt**
  - ✓ **Guidelines on transformation of ANAF into IGO**
  - ✓ **Review of role and modus operandi of CIFAA**
  - ✓ **Estimation of economic contribution of the sector to  
GDP and employment**

# *African Fisheries Reform Mechanism*

A row of colorful, decorated fishing boats is beached on a sandy shore. The boats are painted with vibrant patterns and designs, including floral motifs and geometric shapes. They are propped up on wooden blocks. In the background, the ocean waves are visible, and a few people can be seen walking along the beach. The sky is overcast and grey.

**Takk fyrir**
